### Note

Four-syllable Tibetan names (e.g. Yonten Gyatso, Tshe-brtan Zhabs-drung) are alphabetized according to the second pair of syllables (Gyatso, Zhabs-drung). Where there is a title (other than Geshe, Lama, Rinpoche) the name is alphabetized under the title. Recent works in the Tibetan language are included in this bibliography, except for those in *dpe cha* form, which are included in the Tibetan bibliography.
